	2 September 1949	
*	About 20 twin-engine Pe-2s had recently a rived at the COTTBUS (N 52/A 57) airfield. Fifteen single-engine aircraft with in-line engines and two biplanes were also parked there.	
	11 September 1949	
	Twelve searchlights with their crews arrived at the field.	
	14 to 19 September 1949	
q	Trucks loaded with bombs continually traveled from the rail- road station to the airfield.	
	6 September 1949	
4.	rifteen twin-engine aircraft, covered with tarpauling, were parked at the COTTEUS airfield. There was heavy truck traffic, loaded with furniture and billeting equipment, from the freight station to the field.	25
